OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 24 March 1965

1. (Internal Use Only - JSW) Talked with Boyd Crawford, House Foreign Affairs Committee staff, who advised that Mr. Selden would like to bring his Subcommittee group to the Agency on Monday, 29 March, departing the Capitol at 9:30 a.m. I advised Mr. Crawford that I thought this would be all right and we would confirm later.

2. (Internal Use Only - JSW) Mr. Darden, Senate Armed Services Committee staff, called late in the evening on 23 March inquiring if possibly the Director would be available some time during the day on 23 March to meet with Senator Stennis and the Subcommittee. I advised Darden that we had a hearing with Mr. Rivers in the morning and further the Director has been ill and we are not sure he will be in the office. Mr. Darden stated that this was only a tentative query and if anything developed he would be in further touch.

3. (Internal Use Only - JGO) Met with Mr. Edward Braxwell, Senate Armed Services Committee Staff, who advised that Senator Saltonstall has been unable to schedule the time to review the Agency retirement regulation. Mr. Braxwell is hopeful of meeting with Senator Saltonstall for the purpose of going over the regulation with him in the very near future. No problem is anticipated in the Senator's approval of the regulation.

4. (Internal Use Only - JGO) Met with Miss Patricia Mee, Assistant to Congressman Ogden Reid, Republican, New York, and discussed with her draft proposed explanatory statements for certain amendments to the Immigration and Naturalization Act contained in Mr. Reid's Bill. It was concluded from the discussion that it would be well for Mr. Reid's office to contact several organizations of Radio Free Europe type to ascertain the benefit to such organizations of the proposals in Section 17 of the Act. I will meet further with Miss Mee on this subject tomorrow.
